

# OFFICE SPACES REDEFINED

**KOUNTRY KRAFT**  
EXCELLENCE IN CUSTOM-MADE CABINETS SINCE 1959

## Commercial Office Spaces

### Lobby Coffee Bar

#### FEATURES

Hidden Passage Door on Right  
Floating Shelves

Drawer Organizer System  
Custom Panel Refrigerator

A welcoming mini-bar in the lobby greets visitors. The cabinetry is home to a refrigerator on the left, and a hidden passageway on the right. Custom solid wood drawer inserts provide multi-level sliding organization in each drawer.

## Commercial Office Spaces

### Creative Office Space

#### FEATURES

Custom Corian Windowsills  
3" Corian Venetia Cream Leathered Quartz Counter  
Adjustable File Dividers and Interior Shelving

An open common area in this office features a custom built island. Designed to neatly organize office systems, this space also provides a welcoming workspace with calming tones, empowering employees to be creatively efficient.

## Commercial Office Spaces

### Creative Office Spaces

#### FEATURES

Adjustable Height Desk  
Crystal Glass Laminate

Adjustable Interior Shelving  
Coplanar Door System

Custom workstation with waterfall countertop is a beautiful and versatile workspace. The adjustable height desk switches from a sitting to a standing workstation with the flip of a switch.

## Commercial Office Spaces

### Executive Office Suites

#### FEATURES

Rauvisio Brilliant Cubanite 5338B Laminate Cabinet Doors  
Blum Aventos HL Lift Up Door Lift and Servo Drive  
Lateral Pendaflex File Hang Rail

A nature-inspired executive office is adorned with pieces made of Walnut wood and luxe laminate cabinetry. The Walnut banded desk base and credenza wall cabinet backsplash adds contemporary warmth to the space.

## Commercial Office Spaces

### Executive Office Suites

#### FEATURES

Custom Walnut Doors  
 Custom Mesh Door Inserts  
 Floating Shelves

Walnut Molding  
 Continuous Walnut Cornice  
 Thinscape Desktop by Wilsonart

Designed for a busy and organized executive needing a meeting area and ample storage. The gray and Walnut cabinetry is tied together with the Walnut cornice, countertop and shelves. The multi-tiered desk surface and mesh doors provide partial concealment of the cabinet contents.

## Commercial Office Spaces

### Office Storage Systems

#### FEATURES

Custom Walnut Barn Doors  
 Built-In Interior Shelving

Rustica Ribbon Barn Door Hardware  
 Natural Polyurethane 25° Finish

Custom five piece Walnut barn doors are dressed up with brass ribbon hardware. When opened, they reveal cabinetry with in Wrought Iron 10° paint finish, providing a niche space for books and other office supplies.

## Commercial Office Spaces

### Meeting Rooms

#### FEATURES

Rauvisio Fenix Nero Ingo Countertop

Standard Pendaflex Hang Rail

Vertical Grain Quarter Sawn Walnut Cabinets

Top Knobs Cabinet Hardware

The Quarter Sawn Walnut cabinets along the back wall of this space were custom crafted to feature a vertical grain. A Natural Walnut Live Edge countertop creates a unique place for effective meetings.

## Commercial Office Spaces

### Hallway

#### FEATURES

Floating Acupanel Cloud

Gloss Cabinets

Bifold Hideaway Doors

Glass Printed Backsplash by Imagio

A serving buffet outside the meeting room is encased with gloss doors for a neat appearance when not in use. The printed glass backsplash adds art to the space for serving food. A mail station and coat closet flank each side of the serving area.

## Custom Features

Thinscape Countertop by Wilsonart

Custom Walnut Table Base

Custom Mesh Door Insert

Custom Walnut Continuous Wrap

## Custom Features

Cabinet Drawer Multilevel Organizer System

Pop Up Countertop Power Grommet by Doug Mockett

Custom Walnut Closet Barn Doors

Pendaflex File Hang Rail
